EDUCATION

Myanmar Aerospace Engineering
University (MAEU)
2019-2021

I am a former university student who studied at MAEU in Meiktila. Due to the COVID-19 pandemic and Coup situation in Myanmar, my second-year study period at the university have been on hold. Currently I have been studying web-development from 2022 to the present.

REFERENCES

- Matriculation Examination Pass Certificate
- Web Design Certificate (Page Myanmar)
- Professional Web Developer Certificate (Fairway Technology)

FEB 2024 –
Present

Working

As a frontend developer currently working in the field, I am continuously enhancing my skills through self-study to stay updated with the latest technologies. I am particularly focusing on expanding my knowledge in Next.js, as I plan to delve deeper into this framework to improve my expertise and contribute more effectively to my projects.

AUG 2023 –
NOV 2023
